

Federation of Sibertswold Church of England and Eythorne Elvington Community Primary Schools

Schools Complaint Procedure

Who can make a complaint?

This complaints policy and procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to the school about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

This document meets the requirements of section 29 of the Education Act 2002, which states that schools must have and make available a procedure to deal with all complaints relating to their school and to any community facilities or services that the school provides.

It is also based on guidance for schools on complaints procedures from the Department for Education (DfE), including the model procedure, and model procedure for dealing with serial and unreasonable complaints.

In addition, it addresses duties set out in the Early Years Foundation Stage statutory framework with regards to dealing with complaints about the school's fulfilment of Early Years Foundation Stage requirements.

The Federation of Sibertswold CEP and Eythorne & Elvington CP Schools aim to meet their statutory obligations when responding to complaints from parents of pupils at the school, and others.

When responding to complaints, we aim to:

- Be impartial and non-adversarial
- Facilitate a full and fair investigation by an independent person or panel, where necessary
- Address all the points at issue and provide an effective and prompt response
- Respect complainants' desire for confidentiality
- Treat complainants with respect and courtesy
- Make sure that any decisions we make are lawful, rational, reasonable, air and proportionate, in line with the principles of administrative law
- Keep complainants informed of the progress of the complaints process
- Consider how the complaint can feed into school improvement evaluation processes.

We try to resolve concerns or complaints by informal means wherever possible. Where this is not possible, formal procedures will be followed. The school will aim to give the complainant the opportunity to complete the complaints procedure in full. To support this, we will make sure we publicise the existence of this policy and make it available on the school website. Throughout the process, we will be sensitive to the need of all parties involved, and make any reasonable adjustments needed to accommodate individuals.

The difference between a concern and a complaint

The DfE guidance explains the difference between a concern and a complaint:

- A concern may be defined as '*an expression of worry or doubt over an issue considered to be important for which reassurances are sought*'.
- A complaint may be defined as '*an expression of dissatisfaction however made, about actions taken or a lack of action*'.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaint's procedure. The school takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, we will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, they will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, the school will attempt to resolve the issue internally, through the stages outlined within this complaint's procedure.

Roles and responsibilities

The Complainant

The complainant will get a more effective and timely response to their complaint if they:

- Follow these procedures
- Explain the complaint in full as early as possible
- Co-operate with the school through the process, and respond to deadlines and communication promptly
- Ask for assistance as needed
- Treat all those involved with respect
- Not publish details about the complaint on social media

The investigator

An individual will be appointed to look into the complaint, and establish the facts. They will:

- Interview all relevant parties, keeping notes
- Consider records and any written evidence and keep these securely
- Prepare a comprehensive report to the Headteacher or complaints committee which includes the facts and potential solutions
- Analysing information
- Be mindful of the timescales to respond

The complaints co-ordinator

The complaints co-ordinator can be:

- The Headteacher
- The designated complaints governor
- Any other staff member providing administrative support

The complaints co-ordinator will:

- Keep the complainant up to date at each stage in the procedure
- Make sure the process runs smoothly by liaising with staff members, the Headteacher, chair of governors and KCC
- Be aware of issues relating to:

- Sharing third party information
- Additional support needed by complainants or example interpretation support or where the complainant is a child or young person
- Keep records

Clerk to the Governing Body

The Clerk will:

- Be the contact for the complainant and the complaints committee, including circulating the relevant papers and evidence before complaints committee meetings and aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- Collate any written material relevant to the complaint (for example: stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- Arrange the complaints hearing, setting the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- Record and circulate the minutes and outcome of the hearing

Committee chair

The committee chair will ensure:

- The meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy. Complainants who may not be used to speaking at such meetings are put at ease, particularly if the complainant is a child/young person
- Both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting, this is then seen by everyone in attendance provided it does not breach confidentiality or any individual's right to privacy under the DPA 2018 or GDPR
- If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting
- Make sure all parties see the relevant information, understand the purpose of the committee, and are allowed to present their case
- The issues are addressed and key finds of fact are made
- The committee is open-minded and acts independently
- No member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- The meeting is minuted

Committee Member

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so

No governor may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.

- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant

We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.

- many complainants will feel nervous and inhibited in a formal setting

Parents/carers often feel emotional when discussing an issue that affects their child.

- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The committee should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests.

- the welfare of the child/young person is paramount.

How to raise a concern or make a complaint

Informal

A concern or complaint can be made in person by parents, carers (including parents or carers of children no longer at the school) and members of the public, in writing or by telephone. They may also be made by a third party acting on behalf of a complainant, as long as they have appropriate consent to do so.

Concerns should be raised with the class teacher/form tutor/head of year in the first instance. At this stage informal mediation may be offered. While this can be useful in helping the school and complainants reach an agreement and move forward, there are times when it may not be the most appropriate course of action.

Mediation can:

- provide a helpful mechanism for discussion when a concern is raised
- help to rebuild the relationship between all parties

It should not be used as a substitute for an investigation during the formal stages of the complaints procedure.

If neither the complainant nor the school considers that mediation will serve any practical purpose at this point, the complainant will not be prevented from moving to the next investigative stage of the complaints procedure.

If the issue remains unresolved, the next step is to make a formal complaint.

Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 2 of the procedure.

Complaints against school staff (except the Headteacher) should be made in the first instance, to the Headteacher via the school office. Please mark them as Private and Confidential.

Complaints that involve or are about the Headteacher should be addressed to the Chair of Governors, care of the Clerk, via the school office. Please mark them as Private and Confidential.

Complaints about the Chair of Governors, any individual governor or the whole Governing Body should be addressed to the Clerk to the Governing Body via the school office. Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous complaints

We will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

If at any point we cannot meet the time scales we have set out in this policy, we will:

- Set new time limits with the complainant
- Send the complainant details of the new deadline and explain the delay

Complaints about our fulfilment of early years requirements

We will investigate all written complaints relating to the school's fulfilment of the Early Years Foundation Stage requirements, and notify the complainant of the outcome within 28 days of receiving the complaint. The school will keep a record of the complaint and make this available to Ofsted on request.

Parents and carers can notify Ofsted if they believe that the school is not meeting Early Years Foundation Stage requirement, by calling 0300 123 4666, or by emailing enquiries@ofsted.gov.uk.

We will notify parents and carers if we become aware that the school is to be inspected by Ofsted. We will also supply a copy of the inspection report to parents and carers of children attending the setting on a regular basis.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Scope of this Complaints Procedure

This procedure covers all complaints about any provision of community facilities or services by the school, other than complaints that are dealt with under other statutory procedures, including those listed below.

Complaints about services provided by other providers who use school premises or facilities should be directed to the provider concerned.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against The Federation of Sibertswold or Eythorne & Elvington CP Schools in relation to their complaint, we will suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

If a complainant contacts the school again in relation to their complaint, the correspondence may then be viewed as ‘serial’ or ‘persistent’ and the school will not respond but will continue to complete the initial complaints procedure in full.

Duplicate complaints

After closing a complaint at the end of the complainant’s procedure, if the school receive a duplicate complaint from a partner, family member or other individual, the school will inform the new complainant that the school has already considered that complaint and the local process is complete. The school should advise the new complainant to contact the Department for Education should they be dissatisfied with the school’s handling of the original complaint.

Any new aspects to the original complaint will be investigated and dealt with to the full extent of the complaints procedure.

Resolving complaints

At each stage in the procedure, The Federation of Sibertswold CEP or Eythorne & Elvington CP Schools wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur

- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

Withdrawal of a Complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Stage 1

Formal

Formal complaints must be made to the Headteacher (unless they are about the Headteacher), via the school office. This may be done in person, in writing (preferably on the Complaint Form including what actions you may feel might resolve the problem at this stage), or by telephone.

The complainant should provide details such as relevant dates, times and the names of witnesses of events, alongside copies of any relevant documents. The complainant should also state what they feel would resolve the complaint.

The Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Within this response, the Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

Note: The Headteacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.

During the investigation, the Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish providing the school has been notified in advance as to the identity of their companion. In certain circumstances, the school may need to refuse a request for a particular individual to attend any such meeting – for example, if there is a conflict of interest. If this is the case, the school will notify the complainant as soon as they are aware, so that the complainant has the opportunity to arrange alternative accompaniment.
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Headteacher will provide a formal written response within 20 school days of the date of receipt of the complaint.

If the Headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the school will take to resolve the complaint.

The Headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 1.

If the complaint is about the Headteacher, or a member of the Governing Body (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 1.

Complaints about the Headteacher or member of the Governing Body must be made to the Clerk to the Governing Body, via the school office.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Governing Body or
- the majority of the Governing Body

Stage 1 may be considered by a suitably skilled and impartial member of the Governing Body or if there are no suitably skilled and impartial members it could be considered by an independent investigator appointed by the Clerk on behalf of the Governing Body or depending on the nature of the complaint and in the case of schools with a church foundation support could be sought from the Diocese to provide an impartial investigator. At the conclusion of their investigation, the chosen investigating body will provide a formal written response to the complainant and Governing Body.

Stage 2

If the complainant is dissatisfied with the outcome at Stage 1 and wishes to take the matter further, they can escalate the complaint to Stage 2 – a meeting with members of the Governing Body’s complaints committee, which will be formed of the first three, impartial, governors available. This is the final stage of the complaints procedure.

A request to escalate to Stage 2 must be made to the Clerk, via the school office, within 5 school days of receipt of the Stage 1 response. The Clerk will need the details of the complaint as set out above, as well as details from the complainant on how they feel the previous stage of the procedure has not addressed their complaint sufficiently, and what they feel would resolve the complaint.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 20 school days of receipt of the Stage 2 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant’s absence on the basis of written submissions from both parties.

The complaints committee will consist of at least three governors with no prior involvement or knowledge of the complaint. Prior to the meeting, they will decide amongst themselves who will act as the Chair of the Complaints Committee. If there are fewer than three governors from the Governing Body available, the Clerk will source any additional, independent governors through another local maintained school, local governing board members or governors and trustees from within academies or multi-academy trusts, or associate member of another Governing Body.

Alternatively, an entirely independent committee may be convened to hear the complaint at Stage 2. Complainants can request an independent complaints committee if they believe there is likely to be bias in the proceedings. Complainants should provide the Clerk with evidence of bias in support of their request. “The Governing Body will err on the side of caution if the appearance of bias may be sufficient to taint any decision reached”.

If the committee is convening following rejection of three proposed dates without good reason the complaint will proceed on the basis of written submissions from both parties but in making their decision they will be sensitive to the complainant’s needs.

When the complainant attends the meeting, they may bring someone along to provide support. This can be a relative or friend and they should inform the school of the identity of their companion as the school may need to refuse a request for a particular individual to attend any such meeting – for example, if there is a conflict of interest. The Department for Education recommend that neither the complainant nor the school bring legal representation. These committees are not a form of legal proceedings. The aim of the governors committee should be:

- reconciliation
- to put right things that may have gone wrong

The Department for Education recognises there may be occasions when legal representation is appropriate for instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.

Representatives from the media are not permitted to attend.

At least 10 school days before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee at least 7 school days before the meeting.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant’s own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken. Schools are data controllers in their own right and have the discretion via their policies to decide for themselves whether to allow complainants to record meetings, if it’s not required for the purposes of a reasonable adjustment.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and the school with a full explanation of their decision and the reason(s) for it, in writing, within 15 school days.

The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by the school along with copies of the minutes.

Complaints against the Headteacher, a governor or the governing board

If the complaint is:

- Headteacher
- jointly about the Chair and Vice Chair or
- the entire Governing Body or
- the majority of the Governing Body

Complaints made against the Headteacher or any member of the governing board should be directed to the Clerk to the governing board in the first instance.

Stage 2 will be heard by a committee of independent governors convened by the Clerk from either impartial members of the GB or from another local maintained school, local governing board members and governors/trustees from within academies or multi academy trusts (academy governors should seek guidance and understanding from the Clerk on the different legislative framework that may need to be taken into consideration during the complaint's hearing at the appeal stage), an associate member of another Governing Body or from an entirely independent committee. The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and the school with a full explanation of their decision and the reason(s) for it, in writing, within 15 school days.

The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by the school along with copies of the minutes.

Complaint campaigns

Occasionally, you may become the focus of a campaign and receive large volumes of complaints:

- all based on the same subject
- from complainants unconnected with the school

Following an internal investigation into the subject matter by the Senior Leadership Team the school will respond either by:

- sending a template response to all complainants or
- publishing a single response on the school's website

If complainants in this case remain dissatisfied they may refer to the "Next Steps" at the end of this policy.

Next Steps

If the complainant believes the school did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 2.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by the school. They will consider whether the school has adhered to education legislation and any statutory policies connected with the complaint.

The complainant can refer their complaint to the Department for Education online at: www.gov.uk/complain-about-school

We will include this information in the outcome letter to complainants.

Policy for managing serial and unreasonable complaints

The Federation of Sibertswold and Eythorne & Elvington CP Schools are committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. Anyone has the right to raise a new complaint at any time. We will not normally limit the contact complainants have with the school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

The school defines unreasonable complaints as '*those who, because of the frequency or nature of their contact with the school, hinder our consideration of their or other people's complaints*'.

Examples: A complaint may be regarded as unreasonable when the person making the complaint:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance, or insists that the complaint is dealt with in way that are incompatible with this procedure and the time frames it sets out;
- refuses to co-operate with the complaints investigation process while still wishing their complaint to be resolved;
- refuses to accept that certain issues are not within the scope of a complaints procedure;
- insists on the complaint being dealt with in ways which are incompatible with the adopted complaints procedure or with good practice;

- introduces trivial or irrelevant information which the complainant expects to be taken into account and commented on, or raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales;
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced;
- changes the basis of the complaint as the investigation proceeds;
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed);
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education;
- seeks an unrealistic outcome, or a solution that lacks any serious purpose or value;
- Makes excessive demands on school time by frequent, lengthy, complicated and stressful contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with;
- Makes a complaint designed to cause disruption, annoyance or excessive demands on school time;
- Insists on pursuing a complaint that is unfounded, or out of the scope of the complaints procedure, beyond all reason;
- Makes a complaint that is obsessive, persistent, harassing, prolific, defamatory or repetitive.

A complaint may also be considered unreasonable if the person making the complaint does so either face-to-face, by telephone or in writing or electronically: -

- using threats, intimidation or violence;
- using abusive, offensive or discriminatory language;
- knowing it to be false;
- using falsified information;
- Publishing unacceptable information in a variety of media such as in social media websites and newspapers.

Complainants should limit the numbers of communications with a school while a complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text) as it could delay the outcome being reached.

Whenever possible, the Headteacher or Chair of Governors will discuss any concerns with the complainant informally before applying an 'unreasonable' marking including suggesting that the complainant asks a third party to act on their behalf such as the local Citizen' Advice.

If the behaviour continues, the Headteacher will write to the complainant explaining that their behaviour is unreasonable and asking them to change it. For complainants who excessively contact the school causing a significant level of disruption, we may specify methods of communication (such as restrict the complaint to a

single point of contact via an email address) and limit the number of contacts in a communication plan. This will usually be reviewed after 6 months.

In response to any serious incident of harassment, aggression or violence, the concerns and actions taken will be put in writing immediately (including the decision to stop responding) and the police informed. This may include barring an individual from school premises.

Barring from the School Premises

Although fulfilling a public function, Schools are private places. The public has no automatic right of entry. Schools will therefore act to ensure they remain a safe place for pupils, staff and other members of their community.

If an individual's behaviour is a cause for concern, a school can ask him/her to leave school premises. In serious cases, the Headteacher or the local authority can notify them in writing that their implied licence to be on school premises has been temporarily revoked subject to any representations that the person may wish to make. Schools should always give that person the opportunity to formally express their views on the decision to bar in writing. Anyone wishing to complain about being barred can do so, by letter or email, to the Chair of Governors. The decision to bar should then be reviewed, taking into account any representations and either confirmed or lifted. If the decision is confirmed the person should be notified in writing, explaining how long the bar will be in place and when the decision will be reviewed, usually after 6 months.

Complaints about barring cannot be escalated to the Department for Education. Once the school's own complaints procedure has been completed, the only remaining avenue of appeal is through the Courts; independent legal advice must therefore be sought.

Monitoring arrangements

The Governing Body will monitor the effectiveness of the complaints procedure in making sure that complaints are handled properly. The governing board will track the number and nature of complaints, and review underlying.

Learning Lessons

The governing board will review any underlying issues raised by complaints with the Headteacher, where appropriate, and respecting confidentiality, to determine whether there are any improvements that the school can make to its procedures or practice to help prevent similar events in the future.

Record Keeping

The school will record the progress of all complaints, including information about actions taken at all stages, the stage at which the complaint was resolved, and the final outcome. The records will also include copies of letters and e-mail, and notes relating to meeting and phone calls.

This material will be treated as confidential and held centrally, and will be viewed only by those involved in investigating the complaint or on the review panel.

This is except where the secretary of state (or someone acting on their behalf) or the complainant requests access to records of a complaint through a free of information (FOI) request or through a subject access

request under the terms of the Data Protection Act, or where the material must be made available during a school inspection.

Records of complaints will be kept securely, only for as long as necessary and in line with data protection law, our privacy notices and records management policy/record retention schedule.

The details of the complaint, including the names of individuals involved, will not be shared with the whole governing board in case a review panel needs to be organised at a later point.

Where the governing board is aware of the substance of the complaint before the review panel stage, the school will (where reasonably practicable) arrange for an independent panel to hear the complaint.

Complainants also have the right to request an independent panel if they believe there is likely to be bias in the proceedings. The decision to approve this request is made by the governing board, who will not unreasonably withhold consent.
