

Wednesday 23.05.23

Dear Parent/Carer

Year R Cooking Club: Although the current Cooking Club sessions are now full, if your YR child would like to do some cooking with Mrs Williams and Mrs Errington, you can sign him/her up for the next three sessions which will begin on Monday 19 June. We are charging £3:00 for three sessions and parents can sign up via the 'payments' section of the School Comms App to register their child for this; we will allocate children to the sessions once we know how many are interested.

Cooking Club takes place on Mondays after school, in the CAS. Please collect your child from the playground at 4:15 when the session ends – watch out for details of the dates your child can attend.

Lost Property: We now have four bin sacks full of lost property clothing accumulated since Easter. Weather (and my memory) permitting, we will put everything out on tables on Friday afternoon for parents to look through and claim anything that belongs to their child. If you are not going to be picking up after school on Friday and have lost any specific items, please come into school before then search through the bags. Anything left after Friday will be recycled/disposed of.

September 2023 Year R Induction Meeting: This meeting took place this afternoon, with the parents gathering in the hall to learn all about our induction and admission procedures and the children spending time in Antarctica classroom. Has it really been a year since we did this for our current Reception children??

Reminders

Year 5 Taster Day at St Anselm's School: All parents of children in Year 5 should have received details about a Taster Day that St Anselm's School are offering on Wednesday 21 June. Please sign up via the link on the poster if you would like your child to attend this Taster Day.

Sale of Lollies: A reminder that lollies will be on sale after school every Monday, Wednesday and Friday, priced 40p: all proceeds go towards our Year 6 end of year events.

Year 4 visit to Folkestone: Tomorrow, Europe class will be travelling to Folkestone by train to take part in a Victorian Workshop at Folkestone Museum. We will let you know how it went in Friday's Newsletter.

Break the School Rules day: On the last day of term we are, as you know, having a 'Break the School Rules Day'. There is a 50p 'fine' for every rule broken. See attached poster to remind you of details.

Best wishes

Sheila
